CONDITIONS OF EXHIBITING DOGS IN MONTENEGRO

There is no quarantine in Montenegro. To be allowed to enter the country, dogs need identifications according to the regulations. Dogs coming from EU-countries have to possess a pet passport according to the EU-regulations, while dogs coming from other countries need a veterinarian certificate issued by the competent institution of the country in question.

Montenegro is well known for its liberal attitude towards dog owners, so dogs with cropped ears and tails can participate at dog shows along with those with natural ears and tails. Consequently, at the Bar and Petrovac Shows in June, there will be no restrictions for exhibitors from all countries members of the F.C.I.

Awards and Certificates

Each dog gets a report of qualification.

Titles & Certificates of Aptitude

In the Baby Class, the Puppy Class and the Veteran Class no titles will be awarded. The first 4 dogs of the each class will be ranked as long as they were evaluated at least as "promising" or "very good". In the Youth Class the dog evaluated as "excellent I" may be awarded the title of "Youth Winner" and if he wins two of these titles during the weekend he will be proclaimed "Montenegro Youth Winner". In each of the following classes: Open, Working, Intermediate and Champion, a CAC-MNE may be awarded. Only out of these CAC winners the CACIB will be selected. Each dog who wins two CAC titles during the weekend will be automatically proclaimed as "Montenegro champion"

In each breed the BOB will be selected between following dogs: the Best Youth male and female, dogs with CACIB-title and "excellent I" dogs (both male and female) from the Veteran Class (on the national show between the two junior winners, all CAC winners and all excellent1 veterans)

Every dog awarded with two CAC titles will automatically become a MONTENEGRO CHAMPION - CH MNE.

Every dog awarded with two JUNIOR WINNER titles will automatically become a MONTENEGRO JUNIOR CHAMPION - CHJ MNE.

Entry Forms

Only entry forms with enclosed copies of pedigrees and copies of payment will be accepted (there is a possibility of paying the entry fee on the day of the show).
Other necessary certificates for entering in the Working or Champion classes should also be enclosed.

Registration

Only such dogs will be admitted that are entered into a studbook or a register approved of by the FCI and that have reached the minimum age of 3 months. The data must be printed on the entry form in clearly legible letters. Entry forms that were either not filled in completely or not submitted in combination with the necessary copies (copies of pedigree, payment voucher, and copies of champion title or FCI working certificate if necessary) will not be accepted.

The fact that the dog has ears and/or tail cropped does not hinder the dog from participating at the show.
